Credit References

The Client accepts that Zapwall may conduct a credit report on them with Zapwall’s nominated agency, which may include individuals and/or directors, and that the nominated agency will give Zapwall information for that purpose.

The client accepts that Zapwall can contact any other person/agency/company that Zapwall thinks necessary for the purposes of establishing the client’s credit status.

The client accepts and agrees to Zapwall contacting the credit references supplied for the purpose of establishing the client’s credit status.

The client accepts that if payment obligations are defaulted, information concerning that default may be given to Zapwall’s nominated agency, and they may give that information to other customers.

Acceptance of Terms and Conditions of Trade

I hereby apply to open a credit account with Zapwall. I have read and fully understand Zapwall’s Terms of Business (zapwall.com) and agree to abide by them.
